

Research Promotion/Development and Ethics Committee (CARE and STRIDE) Committee

Objectives of the Committee

- To create and administer research fund for supporting and facilitating research atmosphere among faculty members and students.
- To develop rules, procedures and guidelines for availing research support, institute awards and supporting all other related activities.
- To provide a modality for proper coordination of all research activities at our college and aligning these to the vision and missions of the college to achieve national development goals.
- To prepare and regularly update the research agenda of the college outlining the preferred focus areas and priorities of research activities to be supported.
- To guide faculty members in the effective integration research projects with the regular curriculum implementation and curriculum enrichment activities.
- To identify and inform researchers about the appropriate research opportunities announced by different academic, research, industry or government organizations.
- To promote interdisciplinary research and establish modalities for preparing and undertaking joint research projects covering more than one knowledge domain as well as policies for involving external agencies/experts in such projects.
- To develop and promote linkages with the Research Council of the University of Mumbai and enable all the researchers of the college to benefit from the activities and programmes of the council.
