Our Founder

Padmabhushan (Late) Pujya Shree Karamshibhai Jethabhai Somaiya
(May 16, 1902 - May 9, 1999) Our Founder

A Message from the Founder

My Dear Young Students,

Welcome to you, to the Institutions of Vidyavihar !

Your Finest Hour is here. The future belongs to you.

Let us all zealously work together and dedicate ourselves to build the India of our dreams.

Remember, nothing was ever achieved without hard work.

Be bold but not be bowled over.

Let Truth and Duty be your watchwords.

Never despair in the face of setbacks.

Keep courage and continue to work with Fortitude.

Have faith in yourselves and in the Almighty.

Strive for your Goals and the future is yours!

Autonomous (Affiliated to University of Mumbai)

About Somaiya Vidyavihar

Padmabhushan Karamshi Jethabhai Somaiya founded Somaiya Vidyavihar, an education trust in 1959, to provide quality holistic education. It was founded on the belief that education is an important pillar of nation building with the power to change lives, and that it is the duty of the privileged to help provide it to whoever aspires to be educated.

Somaiya Vidyavihar encompasses 34 institutions, with more than 39,000 students and 1,500 faculty. Its educational institutes are spread across two main campuses - a 50 acre complex in Vidyavihar and a 28 acre complex in Sion both located in the heart of Mumbai besides a number of smaller campuses across rural Maharashtra, Karnataka and Gujarat. Currently we offer Degree, Diploma & Certificate courses at Undergraduate, Post Graduate and Doctoral levels. Somaiya Vidyavihar also runs a few autonomous Post-Graduate Courses, Vocational Training Courses and High Schools.

Somaiya Vidyavihar fosters an ecosystem that excels in education, research and service, a place where knowledge is preserved, disseminated and new knowledge is created. It is known as much for its Science, Technology, Medicine, Engineering, Management, Social Sciences and Commerce programs, as for its programs for academic studies in various faiths and cultures of India. Shri. K.J. Somaiya guided Somaiya Vidyavihar until 1999. His son, Dr. S.K. Somaiya was at the helm of affairs till 2010. Today Shri. Samir Somaiya, a Cornell University and Harvard Business School alumnus is the President.

Our motto ज्ञानादेव तु कैवल्यम् Knowledge alone liberates, remains the bedrock, as we strive to expand and continuously innovate our education.

Our Inspiration

The Great Visionary and Transformational leader,

(Late) Dr. Shantilal K. Somaiya

29-12-1927 to 01-01-2010

A leading industrialist and businessman, Dr. Shantilal K. Somaiya received various awards including the prestigious 'Luminosa' & 'Sanskrit Mitra' titles. He strongly upheld the peaceful co-existence of religions and travelled extensively across the globe to spread the message of Indian Culture and Philosophy. He also made remarkable contribution to the education and upliftment of the Adivasis.

Shri Samir Somaiya President

Message by Honorary President

Our Vision:

Our Founder, Padmabhushan Shri K. J. Somaiya was deeply influenced by Gandhiji, and dedicated himself to nation building. He founded Somaiya Vidyavihar on the 9th of September 1959. He later founded the Girivanvasi Pragati Mandal, The K. J. Somaiya Medical Trust, Girivanvasi Education Trust and sister institutions to make great citizens of India and the World. In the words of Swami Vivekananda, "We want that education by which character is formed, strength of mind is increased, and the intellect expanded, and by which one can stand on one's own feet." We have now grown into a multi-disciplinary and multi-campus education institution with over 1500 faculty, and 38,000 students.

Our motto:

ज्ञानादेव तु कैवल्यम् Knowledge alone liberates, liberates from poverty, from hunger and also liberates one from the attachments that bind us to small mindedness. Knowledge also provides the opportunity to make the life lived, more meaningful, in the service of one's family, one's community, one's country, and indeed the world, bearing in mind that there is no religion other than the life lived in the service of humanity, न मानुषात् परो धर्मः।

SOMAIYA
VIDYAVIHAR

K J Somaiya College of Science & Commerce
Autonomous (Affiliated to University of Mumbai)

Our education in any subject will reflect its timeless fundamentals, its current context, and applications. There is so much scientific discovery taking place at the intersection of the fields of biology, computing, medicine, the social sciences and everywhere else. We will provide the students and faculty with an environment to engage this world, to discover new truths, make new applications to create and share knowledge.

Our education will also be experiential; with projects that are 'real' and those that complement the learning inside the classroom. Our students and faculty will be at the cutting edge of change, to incubate companies, to create NGOs, and pursue any field of their passion.

Our education will also be holistic. Sports and physical exercise must be a firm part of the curriculum; for students to develop a love for sports, for recreation, for health, for teamwork, for competition. Our education will also instill an appreciation for art and culture.

In the Bhagavad Gita, Arjun asks Krishna, how is one to control one's mind that is as fleeting as the wind. Krishna responds that it can only be done through practice and discipline. वैराग्येण तु कौन्तेय अभ्यासेन च गृह्यते | We will strive to teach our students to learn to stay calm in our turbulent world.

And our education will also include the ancient Indian tradition, its culture, its depth and its knowledge. We must keep the connection with our mother tongue and our languages. Languages are the storehouses of culture and the loss of a language takes with it much learning, stored through it over the ages. Finally, our education will help students lead a full life, to fall in love with life. Our dream is to build a world class research and teaching institution that is global in the reach of its ideas and universal in its service.

From the Principal's Desk

Dr. Pradnya Prabhu
Principal

At the outset I extend a warm welcome to you. Value education is the foundation of modern education and is a unique feature of Somaiya Vidyavihar institutions. K. J. Somaiya College of Science and Commerce is one of the institutions of Somaiya Vidyavihar.

The College was formerly known as K. J. Somaiya College of Arts and Science. In 1972, it was bifurcated, one of them being, K. J. Somaiya College of Science. The Commerce Faculty was introduced in 1986 and the College was then rechristened as K. J. Somaiya College of Science and Commerce.

The College acquired a vibrant atmosphere due to co-curricular and extension activities. The Girls' NCC Unit has brought laurels in the form of the Vice- Chancellor's banner for three years. The NSS Unit has built a strong bond through community service in the areas of health, crisis preparedness, gender sensitization and building of life-skills, environmental enrichment and conservation.

Sharing of resources and innovative practices with the sister institutions has created a synergistic relationship and imparted impetus for further growth.

SOMAIYA
VIDYAVIHAR

K J Somaiya College of Science & Commerce
Autonomous (Affiliated to University of Mumbai)

Globalization demands a new dimension to our approach to education. We at our college have recognized the need for a globally relevant education.

During the year, 2010-2011, efforts were directed to earn Autonomous status for the college; subsequently the University of Mumbai vide notification No. Aff/Recog.1/914 of 2012 dated 22nd October 2012 Conferred Autonomous Status to the college in 2012.

Under autonomy, changes were made in the existing syllabi which are in tune with the changing business, industrial and social needs. Furthermore, the designed curricula are relevant to the local needs and demands. The learning methodologies such as project based learning, experiential learning, flip class learning are used.

In the words of Swami Vivekananda "We want that education by which character is formed, strength of mind is increased, and the intellectual expanded and by which one can stand on one's own feet."

We believe that each and every student has a gift to share and we work hard to unlock their highest potential. We aim to create a safe, nurturing yet challenging environment that is built on values, culture and positive relationships which will lead to emotional, social and academic development of the student.

I wish you all wonderful years ahead.

Vision and Mission

Mission Statement

- Equip the student with knowledge and skills of their chosen vocation, inculcate values, provide them opportunities for all-round growth and prepare them for life

Vision of Founder

- Service to mankind
- Understand and respond to the needs of modern Science and Technology
- Provide a sound spiritual foundation to march into the future
- Provide opportunities for all-round development of individuals

Vision Statement

- To equip the students with advanced knowledge and skills in their chosen vocation
- To provide value-based education and opportunities to students
- To help them to face challenges in life
- To nurture a scientific attitude, temperament and culture among the students
- To continually review, develop and renew the approach to build India of the Founder's dream

Goals and Objectives

- To build a strong Academia-Industry bridge.
- To provide flexibility in the courses offered and proactively adapt to the changing needs of students and the society
- To establish a center for multidisciplinary activities
- To mold individuals who would nurture the cultural heritage of our country and contribute to the betterment of the society

VIDYAVIHAR

K J Somaiya College of Science & Commerce
Autonomous (Affiliated to University of Mumbai)

Reasons to join K. J. Somaiya College of Science and Commerce

Brand Name: Somaiya is a brand name in higher education.

Autonomous Status: The College was conferred Autonomous Status by UGC and University of Mumbai in 2012 and empowered autonomy status from 2023. The College is known for its academic flexibility. There are innumerable combinations which you can choose from elective courses, immersion experience, and Honors programme.

Accreditation: K.J. Somaiya College of Science and Commerce has been accredited by National Assessment & Accreditation Council (NAAC) with "A' Grade in all the four cycles of accreditation since 2004.

Awards and Grants: The College has been adjudged as the Best College of University of Mumbai in the Urban Category. It has been a recipient of the FIST grant from DST, STAR college grant from DBT, DST-TARE and ICSSR.

Transparent Admission process: Admissions are done only on merit. We do not take any donation or capitation fee.

Most sought after college: 25 students compete for each seat at K. J. Somaiya College of Science and Commerce.

SOMAIYA
VIDYAVIHAR

K J Somaiya College of Science & Commerce
Autonomous (Affiliated to University of Mumbai)

Strong Alumni: Over the last 65 years Somaiya Vidyavihar produced thousands of successful graduates contributing to various developments taking place all over the world.

Scholarships: Merit-cum-need-based scholarship for the students

Staff: Students friendly, experienced, dedicated staff.

Synergy: Synergy of 35 institutions from various disciplines.

Innovation incubator: End to end guidance to foster innovative ideas into the company.

Vibrant campus life: Many festivals, workshops like Kabir Festival, Dance Festival, Vigyan Yagna, Asmita, Phoenix, Tarang etc.

Conducive Environment: Conducive environment for teaching and learning.

Secure Campus: Round the clock security and guarded environment

Field Projects and Internship/OJT(On Job Training) are part of the curriculum for undergraduate and post graduate programmes.

About the College

A Dream Come True

The establishment of Somaiya Vidyavihar was the fulfillment of the dream of Late Padmabhushan Pujya Shree Karamshibhai Jethabhai Somaiya - an industrialist of distinction and a great visionary. The foundation stone of K.J. Somaiya college of Arts and Science was laid under the auspices of the Somaiya Vidyavihar Trust in 1960. It was the beginning of many educational institutions growing on the vast campus of Somaiya in the future. Presently, thirty four institutions of Somaiya Vidyavihar enroll about 27,000 students and have 1700 faculty members, who impart value based quality education.

March Ahead

- The college has grown in leaps and bounds in terms of student strength, courses and subjects offered, facilities etc. The college had an opportunity to endorse its standard and class through the NAAC, an autonomous institution of UGC, in 2004. The college received 'A' grade in the assessment. The college underwent the re-accreditation process in March 2010 and was awarded 'A' grade again. Prior to the reaccreditation, the college was shortlisted among three colleges for 'The Best College' award in 2009-10
- The College was awarded 'A' grade in the fourth cycle of accreditation in April 2023
- The College was recognized as 'Centre with Potential for Excellence' by UGC in 2016
- The college was awarded the Empowered Autonomous Status in 2023

- The college has been identified for support in Level - 0 Category by the DST based on the recommendations of the FIST Advisory Board. An amount of Rs. 90,00,000/- has been sanctioned for implementation of the said project under Research and Development Support. An amount of Rs. 36 lakhs and 11 lakhs was sanctioned under DST-TARE and ICSSR respectively
- Among three hundred fifty science colleges of Mumbai, the College has been ranked fourth in 2006-2007, third in 2007-2008, fifth in 2008-2009, second in 2010-2011 and fourth in 2012-2013 respectively according to an independent survey conducted by a reputed national publication "India Today".
- The Department of Biotechnology Government of India, New Delhi has sanctioned a financial support of Rs. 67,00,000/- under star college scheme category 'Human Resource Development Biotechnology - 046' to the various departments identified by the college. In 2018, five more departments have been sanctioned Rs. 1,00,05,000/- under Star - DBT grant
- The University of Mumbai vide notification No. Aff/Recog. I / 914 of 2012 dated 22nd October 2012 conferred Autonomous Status to our college in 2012 and empowered autonomy status from 2023
- The College received ISO 9001:2015 certification

Governing Body of the college

Management Nominee:

1. Shri. Samir Somaiya, President SVV
2. Lt. Gen. H.S. Kahlon, Secretary, Somaiya Vidyavihar
3. Dr. Sendurai Mani, Asst. Professor, Dept. of Molecular Pathology, The University of Texas, M.D. Anderson, Cancer Centre.

Principal:

Dr. Pradnya Prabhu

Teachers of the college:

1. Ms. Madhavi Jardosh, Associate Professor, Department of Statistics
2. Smt. Chitra Trehan, Dean, Students Welfare

University Nominee:

1. Dr. Preeta Nilesh, Principal, Kelkar Education Trust's, Vinayak Ganesh Vaze College of Arts, Science and Commerce

State Government Nominee:

1. Prof. Rohidas Kale, Joint Director, Institute of Science, Mumbai

Educationalist /Industrialist:

1. Dr. Ajit Sapre - Group President, Research and Development, Reliance Corporate Park, Reliance Industries Ltd.
2. Dr Virendra Kumar Gupta - Senior Vice President- Research and Development, Polymer Science, Reliance Industries Ltd

Academic Board Members

	Name	Designation
1	Dr. Pradnya Prabhu	Chairman Principal, K. J. Somaiya College of Science and Commerce
Nominees of University of Mumbai		
1	Dr .Uma Shankar	Principal SIES College of Arts, Science and Commerce, Sion
2	Dr .Ghanshyam Giri	Principal K.L.E. Society's Science and Commerce College, Panvel
3	Dr. Avinash Patil	Principal B K Birla College of Arts, Science and Commerce, Kalyan
Experts nominated by Governing body		
1	Dr. D K Aswal	Director HS and EG ,BARC
2	Dr Prabodh Chobe	Former Senior General Manager and Head BASF, R and D Centre
3	Dr. Sybil Thomas	Professor Department of Education, University of Mumbai, Kalina Campus
4	Dr. Vandana Pradhan	Scientist Indian Council of Medical Research-National Institute of Immunohematology
5	Dr Sayali Yadav	Vice Principal & Head, Department of Commerce, Guru Nanak Khalsa College
Faculty nominated by Principal		
1	Mr. Subhash Krishnan	Member Secretary K. J. Somaiya College of Science and Commerce
All Heads of Department		
Senior Faculty members nominated by the Principal		
1	Dr. Geeta Nair	Controller of Examination and Associate Professor in Physics
2	Mrs. Sudha Agrawal	Department of Mathematics, Associate Professor

Admission Guidelines

1. Parents and students are requested to go through the prospectus and admission notices displayed on the college notice boards and college's website kjssc.somaiya.edu before seeking admission in the college.
2. The College is conferred with Gujarati Linguistic Minority Status by the Govt. of, under which 50% of the seats at the entry level are reserved for the aforesaid linguistic minority. The remaining seats are allotted as per merit and according to the other norms laid down by the university and the government from time to time.
3. The College or the Management does not accept any donation or capitation fees for any admission. The admission to students is given as per the standard and transparent procedures. Any person approaching the students or parents for donation/capitation fees should be reported to the Principal immediately.
4. The Principal reserves the right to amend or modify the rules regarding admission, as and when such amendments and guidelines are received from the Board, the University, the Government or the Management. The Principal also reserves the right to refuse admission, if in his/her opinion; such an admission is likely to adversely affect the overall discipline of the college.
5. Admission preference will be given to students who have passed the eligibility qualification in the preceding academic year.
6. Eligibility criteria followed during the admission is strictly as per the norms of university of Mumbai.
7. All admissions are of provisional in nature and subject to confirmation only after physical verification of the documents by the University.

Admission process for F.Y.B.Sc / F.Y.B.Com is as follows:

- All the admissions are online.
- Please register and obtain your ABC id through abc.gov.in
- All UG students are required to fill the pre-admission online Enrolment form on University website muugadmission.samarth.edu.in . PG students are required to fill muadmission.samarth.edu.in . Select **UG Admission** for undergraduate and **PG Admission** for post graduate. (It is mandatory).
- The students should fill the pre-admission form which is available on the college website <http://admissions.somaiya.edu/> and pay Rs. 100/- through the payment gateway. **Rs. 100/- paid towards online pre admission form is non-refundable. Only those who have paid Rs. 100 will be in the list of candidates considered for admission. Once the link for the payment is closed students cannot use the same form for phases opened later. They have to fill a new application form**
- The students should apply separately for each programme
- Students are required to upload all mandatory and relevant documents mentioned in the pre admission form.
- Students are required to check their registered email ID and pre admission form for checking the status of document verification. Rejected documents can be replaced by the correct document till the link for filling the form is active. Please mail to admission.kjssc@somaiya.edu for updating at a later stage.
- Kindly save the copy of the pre admission form which will be required to be produced on demand.
- There is 50% reservation for Gujarati linguistic minority. They cannot avail the benefit of any other reservation policy.

SOMAIYA
VIDYAVIHAR

K J Somaiya College of Science & Commerce
Autonomous (Affiliated to University of Mumbai)

IN-HOUSE STUDENTS

- The students of K. J. Somaiya College of Science and Commerce and S. K. Somaiya Vinay Mandir are considered as in-house students
- Though in-house students will be considered for admissions, certain subject combinations will have a cut off percentage. The students above that cut off percentage will **only** be considered for these combinations
- The students will be admitted on the first come first serve basis only on the days mentioned in the admission notice
- There is no cut-off percentage for students of K. J. Somaiya College of Science and Commerce but the cut-off percentage for S. K. Somaiya Vinay Mandir students for commerce stream is a minimum of 375 marks out of 600 on first come first serve basis
- In-house students with more than one attempt or passing with Form No.17 at XIIth standard Commerce or passed before 2021 will not be considered for admission to F.Y.B.Com / F.Y. B.Sc. as an in-house student
- H.S.C(XIIth) Science students will not be considered as in-house students for Commerce admission

EXTERNAL STUDENTS

- The merit list will be declared as per the schedule declared by the University of Mumbai.
- The students should secure their admissions by filling the main admission form which will be available on their My Account, whose credentials will be mailed along with the offer letter for the selected students and by paying the prescribed fees.
- If the student fails to confirm the admission as per the given schedule, his/her name will not be considered in the next list.

All students, in-house/external are required to:

- **Visit the college after payment of fees for physical verification of documents**
- **Original documents to be produced for the purpose of verification only and no originals to be submitted**
- **Although provisional admission may have been granted, all documents asked for, are required to be submitted, if not submitted initially**

DOCUMENTS REQUIRED

Any false information provided in the pre-admission form will result in cancellation of the admission at any time, once it is brought to the notice.

For Open Category (UPLOAD the following documents):

1. ABC Id/APAAR Id
2. Online pre enrolment of University of Mumbai
3. Original HSC Mark sheet
4. Junior college Leaving Certificate
5. SSC Mark sheet / Passing Certificate
6. Duly filled in Provisional eligibility form (for learners belonging to Divisional Board other than Mumbai/other state)
7. Migration certificate (for learners belonging to Divisional Board other than Maharashtra board)

For Reserved Category (UPLOAD the following documents in addition to the documents stated for open category above)

1. Caste Certificate issued by Govt. of Maharashtra.
2. Income Certificate for the accounting year 2025-2026 and assessment year 2026-27 issued by Tahsildar.
3. Form No.16 (FOR FREESHIP)
4. Ration Card.
5. District Change Certificate, if applicable.
6. Non creamy layer certificate (for students belonging to NT/OBC/SBC/SEBC)

Note: On-line e-scholarship/ freeship form on the web-site

<https://mahadbt.maharashtra.gov.in/login> as and when the link goes live.

Reservation Policy

F.Y.B.Sc./B.Com Admissions 2025-26

There is no reservation policy for reserved category students as per the university circular "No. Spl. Cell/2018-19/03/2018"

National Education Policy (NEP) Implementation from 2023

What is NEP?

The New Education Policy (2019) initiated and developed by the Ministry of Human Resource Development (HRD), Govt. of India, has been approved by the Central cabinet on 29th July 2020. The National Education Policy (NEP) has brought several reforms in Indian education which include broad-based multidisciplinary Undergraduate Education with 21st Century skills while developing specialized knowledge with disciplinary rigor.

Highlights of the new 3/4 years degree programme:

- ❖ It is a 3 year degree programme. Students have an option to select a 4 years degree programme, either Honours or Research degree.
- ❖ Student centered learning
- ❖ Courses for holistic development of students
- ❖ Entrepreneurship and Employment based education
- ❖ Exposure to field work, industrial visits, experiential learning
- ❖ Inculcate Cutting Edge Research through projects

The curriculum is enriched with various options offered to the students as follows:

- ❖ Core courses- Major courses: Major courses are the subject of main focus and the degree will be awarded in that subject. Students can choose a major course from a pool of courses which may be very specific or specialized or advanced or supportive to the discipline/subject of study

- ❖ **Minor courses:** A Minor course is a secondary specialization that one may choose to pursue in addition to a Major Discipline. They may be related areas of studies or two distinct areas of studies which are not interrelated at all
- ❖ **Vocational courses:** These courses aim to promote skills pertaining to a particular field of study. The purpose of these courses is to provide life-skills to the students in hands-on mode so as to increase their employability/ Self-employment
- ❖ **Discipline Specific Electives(DSEs) :** Students are allowed to choose any Discipline Elective of their choice out of the options provided to them and in the field or interest of their specialization.
- ❖ **Skill Enhancement Courses:** The goal of the skill enhancement courses (SECs) is to raise students' skill levels across a range of subjects. Digital fluency, health and wellbeing, environmental studies, etc are a few examples
- ❖ **Interdisciplinary Open Electives/ General Electives:** Open or Generic Elective Courses are courses chosen from an unrelated discipline/ subject, with an intention to seek exposure beyond discipline/s of choice. The purpose of these is to offer the students the option to explore disciplines of interest beyond the choices they make in core and discipline specific elective courses
- ❖ **Co-curricular and extra-curricular activities like NCC, NSS, Music, Art etc:** These activities help in character building, spiritual growth, physical growth, etc. They facilitate development of various domains of mind and personality such as intellectual, emotional, social, moral and aesthetic developments

- ❖ Languages: Languages provide the medium of fresh and free thinking, expression and clarity in thought and speech. It forms a foundation for learning other courses. They help fluent communication. In addition to English, students shall opt for any of the modern languages offered by the college
- ❖ Ability Enhancement Compulsory Course(AECs) - Ability enhancement courses are the generic skill courses which are basic and needed for all, to pursue any career. These courses ensure progression across careers
- ❖ They enable students to develop a deeper sense of commitment to oneself and to the society and nation largely
- ❖ Internship/On Job Training(OJT)/Research Projects: This will help students to apply knowledge in solving / analyzing / exploring a real-life situation / difficult problem/data analysis. This will provide research competencies at undergraduate level.

ACADEMIC BANK OF CREDITS (ABC)

University Grants Commission, New Delhi and University of Mumbai (Cir.No. DBoEE/ICF/2022-23/14) have mandated the implementation of Academic Bank of Credits (ABC). As per the National Educational Policy 2020, ABC is a national level facility to promote the flexibility of curriculum framework and provide academic mobility to students with appropriate credit transfer mechanism. Therefore, it is mandatory for all the students to generate an ABC ID which needs to be submitted to the university.

In order to create ABC IDs students are advised to follow the following steps:

How to Create Unique Academic Bank of Credit ABC ID

1. Google Search - DigiLocker

2. Create a DigiLocker Account. The DigiLocker App can be downloaded from play store/IOS)

3. Click on https://accounts.digilocker.gov.in/signup/smart_v2

(if you already have an account)

4. Click on <https://www.abc.gov.in>

5. Click on the blue button -Register for ABC via NAD.

6. Once the registration is done, note down your ABC ID which is a 12 digit number.

7. In case of any difficulty you can watch the Video:

<https://youtu.be/hzYVW6lUI9k>

Eligibility and courses offered

F.Y.B.Com Semester I and II

Eligibility

Semester I

A candidate for being eligible for admission to the three years degree programme leading to the degree of Bachelor of Commerce (B.Com) must have passed the Higher School Certificate Examination (Std XII) conducted by the different divisional boards of the Maharashtra State Board of Secondary and Higher Secondary Education.

OR

Must have passed the Higher Secondary School Certificate (Std XII) Examination with vocational subjects, minimum competency based vocational programme conducted by the different divisional boards of the Maharashtra State Board of Secondary and Higher Secondary Education.

OR

Must have passed an examination of another university or body recognized as equivalent to the Higher Secondary School Certificate (Std XII) examination.

(Circular No.UG/142 of 2010, dated 1st July, 2010.)

Semester II

All learners are eligible to be admitted to semester II irrespective of the number of heads of failure in semester I.

Courses:

Semester I	Credits	Semester II	Credits
Accountancy and Financial Management-I	3	Accountancy and Financial Management-II	3
Business Management - I	3	Business Management - II	3
MicroEconomics- I	3	MicroEconomics- II	3

F.Y.B.Sc, Semester I and II

Eligibility:

Semester I

A candidate for being eligible for admission to the three years integrated programme leading to the degree of Bachelor of Science (B.Sc.) must have passed the Higher Secondary School Certificate Examination (Standard XII) conducted by the Maharashtra State Board of Secondary and Higher Secondary Education, in the following subjects :

1. English (Higher or lower level) carrying 100 marks.
2. Any one of the modern Indian languages or modern foreign languages or any classical language (Higher level or Lower level) or information Technology carrying 100 marks.
3. Four other subjects from among the subjects mentioned below carry a total of 400 marks.

OR

Three other subjects from among the subjects mentioned below carry a total 300 marks and one more subject from among the remaining optional subjects carrying 100 marks as prescribed for the H.S.C. (Standard XII) examination.

List of subjects:

Physics, Chemistry, Biology, Mathematics and Statistics, Geography, Economics, Geology, Psychology

OR

Must have passed an examination of another university or body or board recognized as equivalent to the H.S.C. (Standard XII) examination conducted by the Maharashtra State Board of Secondary and Higher Secondary Education.(Extract of Circular No.UG/394 of 2004, dated September 6, 2004)

Semester II

A learner is eligible to be admitted to Semester II irrespective of the number of heads of failure in the Semester I.

B.Sc Honours Programme

Eligibility:

A candidate for being eligible for admission to the B.Sc. Honours Programme must have cleared all the courses in the three year B.Sc. Programme with 120 to 132 credits. **There should be no backlog from Semesters I to VI.** Other eligibility criteria are the same as in M.Sc.

B.Sc Honours with Research Programme

Eligibility:

A candidate for being eligible for admission to the B.Sc. Honours with Research Programme must have a minimum of 7.5 CGPA score in the six semesters of the three year B.Sc. Programme.

Other eligibility criteria are the same as B.Sc. Honours.

Postgraduate Degree Programmes

Vide G.R. No. NEP-2022 /CR No. 09/VISHI-3 / dated April 20, 2023, With effect from Academic Year 2023-24, Two years Master's Degree Program is revamped.

- ❖ B.Sc. honours candidate will have one year M.Sc Programme
- ❖ Under the One-year PG Diploma program, and two-year master's Degree program, the students must complete on-the-job training/internship of 04 credits during summer break, after completion of the second semester of the first year in the respective Major Subject.
- ❖ The 4 Credits Research Methodology Component is mandatory in the First Year
- ❖ The students will have to undertake a research project of 4 credits in Semester III and a research project of 6 credits in Semester IV in the second year of the two-year master's degree program.
- ❖ The exit option at the end of one year of the Master's degree program commenced from AY 2024-25. Students who have joined a two-year Master's degree program may opt for exit at the end of the first year and earn a PG Diploma.
- ❖ The PG Diploma will be awarded to a student provided they have earned the requisite credits in one year including on-the-job training of 04 credits during summer break, after completion of the second semester of the first year in the respective Major Subject.

❖ M.Sc (Master of Science) Degree Programme

ELIGIBILITY:

Semester I:

The B.Sc. degree examination of this University or degree of any other University recognized as equivalent thereto with Minimum 46 credits or its equivalent (i.e. the minimum credits required for majoring in a subject, and excluding the credits for optional courses) of the subject which he wants to offer for the M.Sc. degree course by papers.

Circular No.UG/09 of 2012, Dated 21st February, 2012

Semester II

A learner is eligible to be admitted to Semester II irrespective of the number of heads of failure in the Semester I.

Semester III

A learner should be allowed to keep term for Semester III provided they have secured a minimum of 32 credits out of 44 credits in Semesters I and Semester II taken together.

Semester IV

A learner shall be allowed to keep terms for Semester IV irrespective of the number of courses of failure in Semester I /II/ III.

A learner can appear for Semester IV examination but the result of Semester IV shall be kept in abeyance until the learner passes each of Semester I, II and III.

ELIGIBILITY for BIOCHEMISTRY Vide No. PG/ Univ./VCD/ ICC / 2012-13/ 8,
with effect from Academic Year 2026-27:

A learner who has either passed Bachelor's Degree Examination of University of Mumbai in Science or equivalent degree of any other university recognized as equivalent thereto with one of the following as major subject

(i) With Biochemistry as a main / major / principal subject at the B.Sc. Degree examination of this University or equivalent degree of other University.

OR

(ii) With Chemistry as a main / major / principal subject at the B.Sc. Degree examination of this University or equivalent degree of other University.

OR

(iii) With 3 Units of Biochemistry at T.Y.B.Sc. in combination with any other subject with 3 units at T.Y.B.Sc.

OR

(iv) With Biochemistry and Chemistry at T.Y.B.Sc. and any of the Biological sciences as ancillary subjects.

Centre for Remote Sensing & GIS (CRSGIS)

The Somaiya Trust, in its long standing tradition to keep on par with emerging trends in Arts, Commerce, Science and Technology, has pioneered several bold initiatives in the field of education.

Shri Samir Somaiya, techno-literate, M. D., of the Somaiya Group, envisioned a "World Class Centre", in remote Sensing and GIS, in Somaiya Vidyavihar Campus. This was realized through the initiation of the Centre for Remote Sensing and GIS (CRSGIS), in the K. J. Somaiya College of Science & Commerce, by then Principal Dr. R. S. Hande. The primary objective of the Centre is to impart and disseminate knowledge in the field of "Remote Sensing Technology (RST) & Geographic Information Systems (GIS)".

Since its initiation in July 2004, the Centre has successfully held several One-day workshops, seminars and short duration Certificate Course. Career Oriented Certificate and Diploma Course approved by the University of Mumbai, are open to students who are currently enrolled in undergraduate and graduate programs. The courses are offered as ADD ON courses to be taken concurrently with their ongoing programs.

Workshops and Training Programmes are open to candidates who are sponsored by their organizations, which include Private Companies/Central/State Govt. bodies/Autonomous Institutes and Universities and Colleges. Sponsoring organizations are required to meet all expenses, viz. TA, DA, Contingent, Boarding, lodging and Medical expenses etc. Self-sponsored candidates pay full fee. UGC-New Delhi, under the UGC Scheme for teaching and research in interdisciplinary and emerging areas (Innovative Programme, Xth Plan), had

sanctioned a financial grant to start the One year Post Graduate Diploma Course in RST & GIS, the first of its kind in Mumbai.

Students seeking further information/clarifications/counseling, such as details of eligibility conditions, course duration, course fee etc. regarding the course to enable them take an informed decision are advised to meet, Programme Coordinator, or the Centre Administrative Assistant, 6th Floor, Annex Building, Engineering College.

Remote Sensing & Geographic Information Systems

Remote Sensing (RS) deals with the use of Satellite images and their analysis for providing up to date information of surface features. The most useful characteristic is the multi spectral and temporal resolution of the data. That is, images are obtained in different portions of the electromagnetic spectrum and the same area is imaged with a specified periodic time interval. Remote Sensing has been traditionally used for study of natural resources. With improved technology in the sensors, finer resolution of the ground data has been possible. Therefore RS is now being used to create base maps for GIS applications.

Geographic Information Systems (GIS) is a technology which enables the analysis of data related to entities, which have geographic distribution. The relationship between distributed entities is termed as a spatial relationship.

GIS helps in undertaking spatial analysis and is therefore applicable to a wide variety of disciplines. In recent times GIS has found acceptance among many organizations who wish to use this technology to optimize their daily operations and provide better service to their customers.

RS & GIS are increasingly being used to monitor the natural resources, mining telecommunications, Utilities, Ground Water assessment, Linking of rivers, National agriculture Atlas, state/district level crop yield estimation etc. besides several ongoing national and state level projects. These applications form a direct input in preparing national politics. RS & GIS can also be used to monitor the effect of environmental management techniques in adhering to global norms.

The subject of Remote Sensing (RS) and Geographic Information Systems (GIS) encompasses several disciplines and it is this interdisciplinary nature of the technology that sets it apart from other technologies.

This is evinced from its wide applications in varied disciplines and faculties, Geoscience, Bioscience, Life Sciences, Environmental Science, Physical sciences, Hydrology, Engineering, Medical Sciences, Information technology, Retail mapping, Library Information systems, Wildlife habitats, Wetland mapping, Utilities (Telecommunications, Electrical, Hydro), Business Decisions, Facilities Mapping, Asset Management etc.

Socio-Economics use it to analyze demographic data from a spatial perspective. Ecologist, Biologists and Environmental Scientists study habitats and climatic phenomena. Geographers and Urban Planners derived developmental plans and predict future growth. Earth Scientists use it in mineral exploration and natural resources.

Retail and Distribution Agencies use it to map their distribution network and to optimize logistics leading to higher efficiency and lower costs. Law Enforcement Agencies study crime patterns and develop more effective remedial measures.

Rehabilitation Organizations map the effects of natural disasters to plan their relief operations. Agriculturists effectively use it to evaluate cropping patterns and derive maximum yield. Life Scientists study the pattern of incidence of disease to find the causative factors and initiative preventive measures.

Together RS and GIS provide a formidable means of addressing many problems affecting the day-to-day life of mankind.

Courses offered through the Centre

1. Certificate Remote Sensing Technology And Geographic Information System (University of Mumbai Affiliation)

Eligibility:

A candidate for being eligible for admission to such Certificate Course, shall have enrolled himself/herself with the University of Mumbai and taken admission to any of the Undergraduate or postgraduate courses under Faculty of Science/Arts/Commerce in the constituent/affiliated colleges/recognized institutions of the University of Mumbai.

A candidate who has already successfully passed the B.A./B.Com./B.Sc. or M.A./M.Com./M.Sc. degree of this University or any other University equivalent thereto shall also be eligible to enroll himself/herself for such Certificate Course, being conducted in the constituent/affiliated colleges/ recognized institutions of the University of Mumbai

Notwithstanding anything contained above, a candidate shall have to fulfill minimum admission criterion for the Certificate Course as given below, considering the contents of such course and the minimum maturity level of the

candidates to grasp, appreciate and derive maximum benefits from such courses.

Sr.No.	Name of Certificate Course	Minimum Entry/Admission level required
1	Remote Sensing Technology	First year students of any faculty and Geographic Information Systems

A candidate, who is a regular student, shall pursue such a certificate course simultaneously while he/she is studying for his/her B.Sc./B.A./B.Com. or M.A./M.Com/M.Sc. degree of University of Mumbai.

Duration:

The Certificate Course will be an Add-on Course and shall be conducted for 12 weeks in each term of the academic year.

Notwithstanding contained above the Summer/Diwali/Xmas vacation if need be, shall be suitably utilized for the completion of such Certificate Courses.

No. of students per batch: 20 students

2. Diploma In Remote Sensing Technology And Geographic Information Systems (University of Mumbai Affiliation)

Eligibility:

A candidate for being eligible for admission to such a Diploma Course, shall have enrolled himself/herself with the University of Mumbai and taken admission to any of the Undergraduate or postgraduate courses under Faculty of Science/Arts in the constituent/affiliated colleges/recognized institutions of the University of Mumbai. A candidate who has already successfully passed the BA/MA in Geography or BSc/ MSc degree of this University or any other

University equivalent thereto shall also be eligible to enroll himself/herself for such Diploma Courses, being conducted in the constituent/affiliated colleges/recognized institutions of the University of Mumbai.

Notwithstanding anything contained above, a candidate shall have to fulfill minimum admission criterion for the Diploma Courses as given below, considering the contents of such course and the minimum maturity level of the candidates to grasp, appreciate and derive maximum benefits from such courses.

Sr.No.	Name of Certificate Course	Minimum Entry/Admission level required
1	Diploma in Remote Sensing Technology and Geographic Information Systems.	Second year students of any faculty or Certificate Course in RS & GIS or equivalent

3. One Year Post Graduate Diploma Course In Remote Sensing Technology And GIS (UGC Sanctioned) (University of Mumbai Affiliation)

Eligibility:

A candidate shall have to fulfill minimum admission criterion for the One Year Post Graduate Diploma Course as given below, considering the contents of such courses and the minimum maturity level of the candidates to grasp, appreciate and derive maximum benefits from such courses.

Duration: The one year Post Graduate Diploma Course will be a FULL TIME course and shall be conducted for 24 weeks each in two semesters.

Name of Course	Duration	Minimum Entry/Admission level required
One year Post Graduate Diploma Remote Sensing Technology and Geographic Information Systems	2 Semesters Full time	1. Graduate in Geology, Geography, IT, Engg., In & Civil Diploma Holders with minimum 45 percent marks OR 2. Any Graduate other than above, with minimum 45 percent marks and with a valid Certificate / Diploma / Advanced Diploma in Remote Sensing & GIS of 60/120/240 hours reply. OR 3. Any Postgraduate with 45 percent marks.

No. of students per batch: 20 students

The one year Post Graduate Diploma Course shall consist of six theory papers and one special theory paper and second semester of Industrial visit and project work completed in the Institution / Industry/ Research Organization.

One day / two day Orientation course for those needing it, may be conducted by the college at the beginning of the course, so that students opting for this course are better prepared to receive the intended course work.

Scheme of Examination:

- a) The One Year Post Graduate Diploma Course shall consist of:
- Six Theory Papers (100 marks each x 6 = 600 marks)
 - Six Practicals : (50 marks each x 6 = 300 marks)
 - One Special theory Paper: (100 marks x 1=100 marks)

- Industrial visit and its report: (30 marks)

Project (250 marks) and Viva Voce : (20 marks) : Thus Totaling to 1300 marks

- b) The One year Post Graduate Course shall be covered in 210 lectures (30 lectures per paper i.e. 04 lectures per unit), 48 Practicals (4 hours per week for 48 weeks) and 48 hours of project guidance per batch

The examination shall be conducted at the end of each Semester 24 weeks after the commencement of the One Year Post Graduate Diploma Course.

Semester I (Papers I - IV)	Principles of Satellite Remote Sensing
Paper I Practical I	Principles of Aerial photography and
Paper II Practical II	Photogrammetry
Paper III Practical III	Computer Methods and Programming
Paper IV Practical IV	Statistical Methodology

Semester II (Papers V - VII, Project, Industrial Visit)

Paper V	Practical V Digital Image Processing
Paper VI	Practical VI Geographic Information Systems
Paper VII	Special Paper on Project Implementation
Project	Project Report
Industrial Visit	Industrial Visit Report

Head of Passing:

The examination shall consist of the following Head of Passing. Maximum marks assigned to each head and minimum marks required for passing in each head as detailed in the following table.

Standard of Passing

For Semester I:

- a) A candidate shall be declared to have successfully passed the Semester I of the One Year Post Graduate Diploma in Remote Sensing and GIS Candidate must obtain 40% marks in each Theory / Practical subject for Semester I examination
- b) A candidate shall be allowed to keep terms for Semester II if he/she passes in Semester I, OR if he/she fails in not more than two theory/Practical papers of Semester I
- c) If a candidate fails to score minimum marks for passing in any two or more Heads of Passing he/she will be declared unsuccessful for the award of the certificate.
- d) However, the candidate shall be given the exemption in the heads in which he/she has passed and he/she shall be allowed to appear for the examination again only for the Heads in which he/she has failed.

For Semester II:

A candidate shall be declared to have successfully passed the Semester II of the One Year Post Graduate Diploma Course in Remote Sensing and GIS.

SOMAIYA
VIDYAVIHAR

K J Somaiya College of Science & Commerce
Autonomous (Affiliated to University of Mumbai)

a) Award of Class: As per the prevailing norms for other science subjects

Award of Class

- Pass Class 40% Marks of SEM I & II taken together
- Second Class 50% Marks of SEM I & II taken together
- First Class 60% Marks of SEM I & II taken together
- Distinction 70% Marks of SEM I & II taken together
- The class will not be awarded to the candidates who are repeaters.

Forest fire management	10+2
Climate change implication	10+2
Kitchen refuse management through composting	10+2
Soft skills	10+2
Hands on training in python	10+2

Diploma Courses offered in college

Name of the Course	Eligibility
Diploma Courses-Centre for Remote Sensing & GIS	Only PCGeo students are eligible

Examination System

The college follows a transparent, efficient, and student-friendly examination system designed in accordance with the guidelines of the affiliated University and the National Education Policy (NEP) 2020. The system aims to ensure fair evaluation, continuous assessment, and holistic academic development of students.

The Examination Cell of the college ensures the smooth conduct of all examinations with utmost confidentiality, discipline, and fairness. Timetables, examination notices, seating arrangements, and results are communicated to students in a timely manner.

Evaluation is carried out through a combination of Internal Assessment and Semester-End Examination. Internal assessment includes class tests, assignments, projects, presentations and participation in academic activities. This continuous evaluation process helps students maintain regular academic engagement and develop analytical and practical skills.

Special emphasis is placed on transparency in assessment through mechanisms such as grievance redressal, photocopy/ revaluation procedures, and timely display of results. The institution also promotes ethical practices and strictly follows measures to prevent unfair means during examinations.

The college continuously upgrades its examination practices to align with educational reforms and outcome-based learning. Through a well-organized and systematic examination process, the institution strives to uphold academic excellence and encourage students toward sincere learning and overall growth.

Evaluation Pattern

The college adopts varied evaluation patterns based on the academic requirements of different course verticals. Certain courses follow a 60:40 distribution between the Semester-End Examination (SEE) and Continuous Internal Assessment (CIA), while others are evaluated entirely through the continuous assessment (CIA) mode.

For courses under the 60:40 pattern, students must secure a minimum of 40% marks separately in both the internal (CIA) and external (SEE) components to pass. In the case of courses assessed solely through CIA, a minimum of 40% marks is required for successful completion.

Semester End Examination

The Semester-End Examination is conducted at the conclusion of each semester for both theory and practical courses. The marks allocated for SEE are based on the credit structure of the course:

2-credit course: 30 marks

3-credit course: 45 marks

4-credit course: 60 marks

Continuous Internal Assessment (CIA)

Continuous Internal Assessment is an integral part of the evaluation process, with marks distributed according to course credits as follows:

2-credit course: 20 marks

3-credit course: 30 marks

4-credit course: 40 marks

Certain courses are entirely evaluated through CIA, particularly those that are fully practical-oriented in nature.

The college follows a **10-point grading system** to assess and represent students' academic performance in a standardized manner.

Marks	Grade Point	Grade	GPA	Performance
80 & Above	10	O	10	Outstanding
70 - 79.99	9	A+	9 to 9.99	Excellent
60 - 69.99	8	A	8 to 8.99	Very Good
55 - 59.99	7	B+	7 to 7.99	Good
50 - 54.99	6	B	6 to 6.99	Above Average
45 - 49.99	5	C	5 to 5.99	Average
40 - 44.99	4	D	4 to 4.99	Pass
Less than 40	0	F	-	Fail

The performance grading will be based on the aggregate performance of internal assessment and semester end examination. Under 10 point grading system percentage calculation is done as per the following formula: $7.1 * CGPA + 11$

ATKT Examination

ATKT (Allowed To Keep Terms) examinations are conducted three times a year, typically in March/April, June/July, and September/October. Examination notices are uploaded on the college website well in advance to ensure timely communication.

Students must complete the application process by filling out the prescribed form and paying the required fees within the stipulated deadline to be eligible to appear for the ATKT examinations.

Rules for progression (Allowed to Keep Terms)

For UG Programmes

A learner is allowed to keep terms for semester II irrespective of the number of failures in semester I

A learner is allowed to keep terms for semester III if he/she has earned 32 credits or more in semester I and semester II taken together.

A learner is allowed to keep terms for semester IV irrespective of the number of failures in semester III

A learner is allowed to keep terms for semester V if he/she has earned 76 credits or more credits in semester I, II, III, IV taken together.

A learner is allowed to keep terms for semester VI irrespective of the number of failures in semester V

If a learner clears semester VI and has a backlog of other semesters, the result of semester VI will be withheld by the College till the learner clears all semesters from I to V

A learner is allowed to take admission in semester VII (UG Honours) if he/she passes all semester I to semester VI and earns 132 credits.

For PG Programmes

A learner is allowed to keep terms for semester II irrespective of the number of failures in semester I.

A learner is allowed to keep terms for semester III if he/she earns 32 credits or more in semester I and semester II taken together.

A learner is allowed to keep terms for semester IV irrespective of the number of failures in semester III

Rules for Carry forward of Marks

If a learner passes the Internal Assessment but fails in the Semester-End Examination (SEE) of a course, they must appear for the ATKT Semester-End Examination of that course. The internal marks will be carried forward for the ATKT attempt.

If a learner passes the Semester-End Examination but fails in the Internal Assessment, they are required to appear for the ATKT internal examination. In such cases, the Semester-End marks will be carried forward.

In the case of failure in a practical course, the learner must appear for the ATKT practical examination.

For courses involving Field Projects, Research Projects, or Internships, a learner who fails must register with the respective department in June or November for the ATKT examination. The learner is required to complete the prescribed number of hours to earn the credits and successfully pass the course.

Revaluation of Answer Books/ Photocopy of Answer Books

Students may apply for revaluation of their answer books for Semester-End Examinations within the prescribed submission deadline. The application forms and related notifications are made available on the college website.

Students can also apply for a photocopy of their evaluated answer books. In cases where a student has applied for a photocopy but not initially for revaluation, they are permitted to apply for revaluation within three days from the date of distribution of the photocopy for the concerned subject. This three-day period is calculated from the official date of photocopy distribution, not from the date on which the student collects the photocopy.

Instructions to Candidates about Examinations

- Be on time. A candidate who is late by more than 30 minutes shall not be admitted to the examination hall
- No candidate shall be permitted to leave until half an hour is over after the question papers have been distributed
- Enter on the title page the class, subject, section and seat number
- Write on both sides of the page, unless instructed. Rough work should be written on the left-hand side or on a separate page. Answer each question on a new page and number it
- No pages shall be torn off from the answer-book given to the candidate
- Nothing shall be written on the question paper
- Exchange of written materials, stencils, mathematical instruments, etc. is strictly prohibited. Ask the supervisor in case anything is needed but do not leave the seat on any account at any time. Do not leave the Examination Hall during the last ten minutes
- A candidate is liable to disciplinary action for use of unfair-means e.g. if he / she
 - Keeps with him / her any book, notes or any other written material.
 - Speaks to or communicates, in any other way with an unauthorized person.
 - Disobeying any instructions issued by the senior or junior supervisor or is guilty of rude or disobedient behavior

- Any use of unfair-means during the examination is liable to severe penalties as per the ordinance
- Ten minutes before the close, a warning bell will be rung, after which no candidate will be permitted to leave the hall. At the second bell, all must stop writing and be ready to handover the answer booklets to the supervisor
- Mobile phones and smart watches or any kind of communication devices are strictly prohibited and if found on person during examination then it will be confiscated and will not be returned back.

Hall tickets given to the students should be preserved and mark sheets/degree certificates will be issued only on production of hall tickets.

Hall tickets should have the sign of the respective authority and college stamp and the student is required to sign at the allotted space.

Procedure for Investigation in Case of Malpractices

1. The candidate may be served a show cause notice and made aware of the charges/ allegations reported against him/her to prepare his / her defense at the time of his / her appearance before the Unfair Means Inquiry Committee and informing him / her thereby, of the proposed action to be taken in his / her case with a request to reply to the show cause notice as to why the action proposed under it should not be taken against him / her
2. The reply received by the Committee from the candidate when he /she appears before it, will be considered by the Committee and the final recommendation in the matter be made
3. The punishment finally awarded can be equal to or less than what is mentioned in the show cause notice, but not more than what is mentioned therein. It will be as defined in the rules laid down by the university
4. The College Unfair Means Inquiry Committee is a recommendation body. The Principal has to exercise his/ her power

The broad categories of unfair means resorted by students at the University/ College / Institution examinations and the quantum of punishment for each category thereof:

Sr.no.	Nature of Malpractice	Quantum of Punishment
1	Possession of copying material	Only exam of that paper will be null and void
2	Actual copying from the copying material	Only exam of that paper will be null and void
3	Possession of another student's answer book	Only exam of that paper will be null and void
4	Possession of another student's answer book + actual evidence of copying therefrom	Only exam of that paper will be null and void
5	Revealing identity in any form in the answer written or in any other part of the answer book by the student at the examination	Only exam of that paper will be null and void

General Rules and guidelines

The smooth functioning of the College depends upon observation of discipline by the students. The College can help the students better when Rules of Discipline are observed properly. Violation of these rules deprives the students of the advantages of different facilities provided by the College. The following are some of the important rules of discipline. Parents / Guardian are requested to direct their wards to observe the following Rules of Discipline:

1. Students must attend lectures, practicals, tutorials etc. as per the Time Table. They must not abstain themselves from classes, practical, tutorials, examinations etc. without written permission of the Principal. A student whose attendance and /or progress in various tests and examinations is not satisfactory and who does not perform the required number of tutorials/or practicals are likely to lose their terms. Students who do not submit compulsory project work in the subject are likely to lose his/her term. Defaulters will not be allowed to appear for the examination
2. Employed students will not be given any concession in matters of attendance or rules regarding appearance at College Examinations. Suitable disciplinary action will be taken against such students. Employed students must give details of their employment on the admission form. They are expected to take admission after consulting the Principal in this regard
3. Learners who request leave of absence from lectures / practical /tutorials for participating in sports, cultural, 'Avishkar' research

- convention or any other activities on behalf of the college should submit the application countersigned by the respective teacher in-charge
4. All decisions pertaining to grant of terms will be decided by an Attendance Committee duly constituted by the college
 5. A learner who remains absent for the periodical tests / assignment / examination due to his / her illness shall be required to submit the medical certificate, along with the application endorsed by parent to the exam Cell and a copy to the head of the department concerned
 6. A learner who remains absent for three consecutive days is required to submit a leave application duly signed by his /her parent/guardian with necessary documentary proof
 7. The Identity Card is meant for identifying the bonafide of a student and is used for permitting the student to participate in various activities and programs of the College. Every student must wear an Identity Card as long as he/she is on the college campus. It must be produced by the student whenever demanded by a member of the teaching or non-teaching staff of the college or SVV staff. Every student must bring his/her Identity Card to the College every day. Entry to the campus is only on production of your identity card.

He/She must take proper care of it to avoid its misuse by other students and outsiders. In case the Identity Card is lost, the matter should be immediately reported to the Principal and an application should be made to the police and an NC of the complaint to be submitted in office to obtain a duplicate Identity Card, which will be issued on payment of charges. If the identity card has been damaged then it should be

replaced immediately. Attendance marking is done through the RFID in the identity card.

The conduct of the students in the classes and in the premises of the College shall be such that it will cause no disturbance to teachers, fellow students or other classes.

8. Every student shall wear a clean and decent dress while coming to the College
9. No Society or Association shall be formed in the College and no person should be invited in the college campus without the specific permission of the Principal. The Principal has a right to refuse such permission
10. No student is allowed to display any Notice/Circular/Poster/Banner in the College premises without the prior permission of the Principal. Strict action will be taken against the defaulters. They are not permitted to stick any posters on the wall / doors etc.
11. No student will be allowed to conduct any political activity in the College premises
12. Outsiders are not permitted in the College premises without the prior permission of the Principal. College students are not allowed to bring their relatives/friends to the College premises without the permission of the Principal. Strict action will be taken against the concerned outsider as well as the College student who is instrumental in bringing outsiders to the College premises
13. All meetings, cultural programs, debates, elocutions etc. organized on the College premises must be held in presence of teaching staff member with

- the prior permission of the Principal. The subjects of debates/elocutions must have the prior approval of the Principal
14. Students must take proper care of the college property. Strict action will be taken against students damaging College property and will be required to compensate for the damage
 15. Students involved in malpractices at the College / Board / University Examinations will not be admitted to the college.
 16. Smoking is strictly prohibited in the College Premises. No students are allowed to bring any alcohol/drugs etc. that are not permitted by the law. Consumption of Non-Veg is strictly prohibited inside the campus
 17. If, for any reason, the continuance of a student in the College is found detrimental to the best interest of the college, the Principal may ask the student to leave the College without assigning any reasons and the decision will be final and binding on the student
 18. Playing music on Transistors, Tape-Recorders, Car Stereos, Mobile phones or any other similar gadgets with or without earphones is strictly prohibited in the college premises. Defaulters will be punished and their instruments confiscated
 19. Use of Mobile phones is strictly prohibited in the academic area of the College which includes Science Building, lecture halls, Laboratories, Library, Students may use them in Canteen, Ladies Common Room, Hostel and from the car parking area. Defaulters will be punished and their instruments confiscated

20. Students should not loiter on the college premises while the classes are at work. Boys found loitering near the Girls' Common Room / washroom are liable for punishment
21. Students must not attend classes other than their own without prior permission of the authority concerned
22. Students shall do nothing inside or outside the college that will interfere with the authority concerned
23. Students are not allowed to communicate any information about college matters to the Press
24. Matters not covered above will be decided at the discretion of the Principal
25. Ragging is Prohibited. The Government of Maharashtra has notified ragging as a cognizable offence. Any one reporter to be involved in any form of ragging will be severely dealt with. Therefore, learners are advised to restrain from indulging in any form of ragging.
26. Acts of misbehavior, misconduct, indiscipline or violation of the Rules of Discipline mentioned above are liable for one more punishment as stated below:
 - A. Warning to the student
 - B. Warning to the student as well as letter to parents
 - C. Imposition of a fine
 - D. Denial of gymkhana, library, laboratory, N.C.C., N.S.S., and or any other facility for a specified period or for the whole Term/Year
 - E. Cancellation of admission
 - F. Refusal of admission in the next term or academic year
 - G. Expulsion from College for a specified period
 - H. Rustication

INSTITUTIONAL CODE OF CONDUCT FOR THE STUDENTS

1. The student is under an obligation to strictly adhere and follow the disciplinary rules and regulations of the Institute.
2. Any student indulging in any act of indiscipline or misbehavior will be liable to strict disciplinary action.
3. Students are prohibited from indulging in anti-institutional, anti-national, antisocial, communal, immoral or political expressions/activities within the Campus.
4. Any sort of damage to Institutional property due to negligence or on purpose will attract punishment and liability for monetary compensation for the loss incurred.
5. Students are strictly prohibited from parking their vehicles in the premises.
6. Every student must wear and ensure the display of I-cards in the college premises.
7. If a student misplaces the I-card, it should be reported immediately to the administrative office.
8. Students must be dressed decently.
9. Students should ensure regular attendance.
10. The student must adhere to the schedule decided by the respective teachers for their submissions (assignments, journals, tutorial works, projects etc.).
11. Students are expected to be honest and sincere in all academic activities and with all the stakeholders

12. The students shall obtain an undertaking from their Guardian to participate in all Educational tours or Industrial visits and maintain discipline during the same.
13. The student should switch off their mobile phones when in the classroom laboratory, library, etc.
14. Students are prohibited from using staff wash rooms.
15. Students should ensure cleanliness of the college premises and use dust bins for disposing litter.
16. Students should ensure switching off the lights and fans when not in use.

Non-compliance of the institutional code of conduct will attract strict disciplinary action by the concerned authorities.

Mechanism adopted to monitor adherence to the institutional code of conduct:

Faculty representative from each department to monitor class-wise compliance to code of conduct for students.

INSTITUTIONAL CODE OF CONDUCT FOR THE PARENTS

1. Parents/ Guardian should recognize that the education of each student is the joint responsibility of the parent, student, faculty and the institution.
2. Parents/ Guardian should treat members of the faculty, staff, security personnel and others employed by the College, in a professional and respectful manner.
3. Parents/ Guardian should set an ideal example for students in their conduct, language and behavior on and off campus.
4. Parents/ Guardian should refrain from negative or unsubstantiated criticism that disparages the reputation of the college or its employees on any social media sites.
5. Parents/ Guardian, in case of any dispute, should seek clarification from the institute to bring about a successful resolution to the same.
6. Parents/ Guardian should ensure the regular attendance of their wards.

Attendance and Grant of Terms

1. Ordinances O.119, O.120

The explanation issued by the University wide circular no.UG/235/98 dated July 3, 1998 relating to O.119 says that – 'For granting of terms, attendance of 75% of theory, practical and tutorials (wherever prescribed) separately will be required, out of the total number of lectures, practical and tutorials conducted in the term'.

2. Ordinance O.125

- a) It states that 'To keep a term at a college or recognized institution, a learner must complete to the satisfaction of the Principal or the Head of Institution, the course of study at the college or institution prescribed for such terms for the class to which such learner then belongs'
- b) Learners who fail to maintain the condition of minimum attendance on account of illness, or any other reason which is deemed right by the Principal, should apply in writing to the Principal, for leave of absence, prior or within two days from the date of commencement of such leave, failing which they will be treated as defaulters
- c) All applications for leave of absence along with a medical certificate, if any, should be submitted to the Principal and not directly to any teacher

Procedure for availing different documents from college

Send the email to the respective email ID mentioned against the name of the document which is required by you and in the email draft mention your Name, Course, Year, Roll No., Div, Contact No. without fail. In subject of email write the name of the document required

MARK THE CC COPY OF EVERY MAIL TO rohini.m@somaiya.edu

Sr. No.	Name of Certificate / document	Documents Required	Fees	Point of contact	No. Of days required

3	Migration certificate , Eligibility cases , Online Transference Certificate generated through University of Mumbai's portal - All these services related to degree college	vasudev@somaiya.edu	2
4	Payment of various fees, disbursement of fees , refund of various amount , extension of due date of payment	sushil.ss@somaiya.edu	2

Extra-curricular, Co-curricular Activities and Other Facilities Available

Cultural Forum

The students are encouraged to take part in various art forms like Music, literature, dramatics etc. Cultural festivals 'Phoenix' and 'TARANG' including various competitions in singing, dancing, painting, essay writing etc. are held. "ASMITA" is a platform provided for Marathi cultural experience. Talented students represent the college at various inter-collegiate cultural festivals and win prizes.

NSS

A large number of students enroll in the National Service Scheme with an aim to serve the society. The NSS unit takes initiative in organizing various activities of social relevance like Blood donation camp, Slum development, literacy programmes, aids awareness, thalassemia detection camp etc.

NCC

1 Maharashtra Girls' Battalion is affiliated to the college. The NCC wing is active, and in the forefront of various events at the State and National levels. The NCC unit has been the proud recipient of the Vice-Chancellor's Banner during 2002-03, 2003-04 and 2005-06.

Student Magazine

The college publishes its annual magazine "Sanskriti" to encourage the writing skills of students and staff. The magazine has sections in English, Hindi,

Marathi, Gujarati and Sanskrit. The achievements of students and staff are mirrored in the magazine.

Parent-Teacher Association

Parents are encouraged to meet the teacher-members of the association with their valuable suggestions and to discuss their ward's academic progress co- and extra - curricular participation and career prospects. The college organizes PTA meetings in the first term of the academic year, generally in the month of August.

Placement Cell

The cell provides job opportunities to the college students at graduate and post-graduate levels. Students are trained through workshops for interviews, group discussions etc. Campus interviews are held by various industries.

Women Development Cell

The cell organizes lectures and interactive sessions with experts, conducts film shows and group discussions on various women related issues.

Student Council

The Student council is a body of students selected and nominated by the Principal. It is formed as per the Maharashtra University Act 1994. The Student Council acts as a link between fellow students and the authorities, facilitating a free and constructive communication. The Council members assist in the conduct of various college activities. The Secretary of the Council represents the college in the Mumbai University Student Council.

Museums

The Geology Department exhibits many rare specimens. Visitors from other educational institutions visit this with prior permission. The Zoology Department too has a good collection and display of interesting specimens.

Botanical Garden

Medicinal and various other varieties of plants are cultivated and students of Horticulture are engaged in the maintenance of the garden.

Canteen

The canteen provides tasty snacks at reasonable prices.

Reprographics Facility

A Xeroxing and binding facility is available for students at concessional rates.

Central Instrumentation Laboratory

The college has set up a well-equipped Central Instrumentation Laboratory on the 6th floor of the Annexed Building Engineering College. The laboratory has all sophisticated instruments like FTIR, HPLC, HPTLC, UV - VIS spectrophotometer GC and flame photometer.

Sports

A healthy mind resides in a healthy body, said Aristotle. In order to keep your body in good stead, the Gymkhana of the College conducts numerous sports activities in swimming, taekwondo, volleyball, football, Cricket, gymnastics etc. The sports persons of the college have excelled particularly in swimming, taekwondo and chess and brought laurels at national and international levels.

Veteran coaches are imparting training to the willing students to excel in their chosen sports.

Athletics

A state of the art Olympic track was established in the year 2011 which is located right in the center of the campus. It is a 400 meter, eight-lane athletic track. The track has been awarded the IAAF (International Association of Athletics Federations) Certified Class II category. The track is used by both recreational athletes looking to stay fit and also competitive athletes striving to become national champions under the guidance of our able coach Shri. Ravindra Kumar Walmiki.

A lush green grass football field lies amidst the running track, along with this facility of steeplechase and long & triple jump are available. Annual Camps are conducted.

Group Insurance Policy

1. 100% coverage in case of the sad demise of the insured
2. 100% coverage for permanent disability (Disability means loss of limbs, loss of eye sight or sense of hearing or paralysis)
3. 100% coverage for hospitalization expenses arising out of accidents which includes cost of medicines as well as expenses for Doctors fees

This scheme can cover 24 hours hospitalization due to accident cause only and no natural death and sickness covered.

Accidents death includes Rail / Road / Air accidents, injury due to any Violent Collision, Fall Injury due to Fire, Explosion, Snakebite, Frostbite Burn Injury,

Drowning, Poisoning, Natural Calamity, Riots, but it will not include suicide or attempt to suicide.

These are only illustrative and not an exhaustive list of types of accidents.

Procedure

- The insurance companies should be intimated within seven days in case of any type of accident. At the University level the same will be Co-ordinated by the Head of the Department /Registrar
- Students should preserve the copy of the fee payment receipt issued by the College / Department / Institute
- Claims will be considered even if a student meets with an accident anywhere in India or abroad

Railway Concession

Apply online for availing Railway Concession through my account portal.

What is SVVNetID?

Once you join the campus, you will get the somaiya email id. The SVVNetID is actually the first part of the email id.

Ex. Somaiya email id - example@somaiya.edu

SVVNetID - example

The Somaiya Vidyavihar provides faculty, staff, and students a variety of computing resources and online services. A SVVNetID (an account name that identifies you as a member of the Somaiya Vidyavihar community) and password is required to access most of these services (OPAC access, Access to SVV

campus computer / laptop and Access to SVV AD Portal, to apply for Railway Travel concession , Internet access both Wired & Wi-Fi for some colleges).

How to get your SVVNetID?

SVVNetID will be created automatically. Your SVVNetID and password is supplied to you on your Somaiya Email ID and Personal Mobile. Your access to specific online services is determined by your eligibility and authority. A portal to manage the SVVNetID account is myaccount.somaiya.edu , by logging into, members of the SVV community can manage personal information that is displayed in the SVV Database like mobile phone number, personal email id, change the password for SVV services, and reset forgot password and many more.

What is Somaiya Email id?

Somaiya Email id is an Email id given by Somaiya Institute to all Students, Staff and Faculties. For Students, it is a lifetime email id.

Link for Accessing Somaiya Email id is mail.somaiya.edu

Somaiya mail id is essential for

- Communication
- Attending online classes
- Online examinations

Library

The college has a well equipped library with more than 80,000 books 41 E-books, 187 CDs, DVDs and VCDs, and 27 journals.

Working Hours:

On Working Days: Monday to Friday 8.00 a.m. to 6.00 p.m., Saturday: 8.30 a.m. to 4.30 p.m.

- Details of specialized services provided by the library
- Inter-library loan facility within the Somaiya Campus
- Reference Service for research projects.
- Free Internet access to students and staff
- Reprographic Services
- Overnight book issue facility during exam
- Book Bank facility for economically backward students
- Integrated searching of all resources available in the campus on OPAC and also on web base OPAC: Link :<http://opac.somaiya.edu>
- Remote Access Link provided to Online subscribed Journals : N-List and EBSCOHOST Discovery Services. The username and password for Ebsco is the mail id and password provided by the college. For N-List contact the librarian for username and password
- User Orientation is given
- Assistance in searching Databases is provided

Information on BOOKWORM

The library is using in-house software 'BOOKWORM' . It is an integrated software used in all colleges of the Somaiya Campus. Facilities provided by BOOKWORM for students and staff are as follows:

- Integrated searching of all resources are available on OPAC for students and staff members.

1. HOME LENDING

- Library books will be issued to the regular students for home lending only during the prescribed hour in every academic year.
- Two books for Under Graduate students and four books for Post graduate students will be issued for home lending against the library card. Pure Reference books, costly books, loose issues of periodicals, magazines, and newspapers will not be allowed out of the Library or for home lending.
- A requisition slip must be properly filled in & the same must be submitted to the library requesting for a book for home lending
- The books issued for home reading must be returned to the library within seven days i.e. on or before the last date marked on the slip in the book
- The borrower will be responsible for any loss or non-return of any books issued against his / her Identity card.

2. CREDIT SYSTEM FOR FINE FROM ACADEMIC YEAR 2017-18:

- A fine of rupees 2 /- will be charged for every day of delay. While charging the fine, Sundays and holidays will also be considered.
- The credit limit of fine is upto Rs.50/-
- Students can pay a fine at the cash counter in the office (GFloor) through their ID number OR they can pay online by using their SVV net ID.
- In case a member fails to return the book in time, automatic reminder through email will be sent.
- After crossing the credit limit of Rs.50/- his/her local issue will be blocked.
- After paying the late fine by student the account will be UN-LOCKED
- A fine of Rs.10/- will be charged for overnight book facility.

3. SELF RENEWAL OF HOME ISSUE BOOKS: Rules

- Students can renew books themselves through WebOPAC provided the book is not in demand/ reserved and should be renewed before the due date.
- Every student can login into the OPAC through the integrated ID SVVNet which is already sent on your mobile and also on your email.
- Senior Students can renew the book only one time and PG students can renew the books twice.

4. BOOK RESERVATION FACILITY: Rules

- Students can only reserve the books through WebOPAC which are not currently available in the library (issued to other members)

- Search the required book, if not available click the 'Reserve ' button.
- Once the reserved book is back into the library, the system will send notification through an email to the reserved member automatically.
- Books will be kept reserved for one day.
- System will also notify through email, the borrowed members to return the book on or before due date
- Books which have reservations are not allowed for 'Self Renewal'
- The book may be issued for a week more provided there is no demand for the book from other students.
- Book reservation facility is also provided on Web OPAC through SVV net ID.

5. *Global Common Circulation(GCC) module:*

- Any member can borrow books from any library.
- All Somaiya users will be able to borrow one book for 7 days
- GCC policy for SVV campus and Ayurvihar campus finalised by management as under:

Member Type	Course Type	Issue	Material Type	Issue Days	Due Days and Fine
Student	UG	1	Textbook	7	1-7 days Rs.10/- per day More than 8 days Rs.12/- per day
Student	PG	1	Textbook	7	
Student	PhD	1	Textbook	14	
Staff/ Faculty	Staff	1	Textbook	7	

- In case a Member fails to return in time, a reminder email will be sent. And his/her local issue will be locked. After payment of fine the account will be UN-LOCKED

6. AUTO EMAIL/ SMS REMINDERS

Every user gets an auto reminder for issued books before the due date and after the due date. Through this reminder users come to know the books which are due for return and they can renew books online by using a reference link.

Electronic resource:

- Online Journals (e-Resources) of N-List were subscribed which include 4000+ e-Journals and 90000+e-books. The N-list project provides access to e-resources to students, researchers and faculty from colleges and other beneficiary institutions through server(s) installed at the INFLIBNET Centre Ahmedabad.
- Integrated E resources and Databases named as EBSCOHOST Discovery Services are also available on Somaiya web site which include 4000 + databases and 600000+ ebooks
- In-house/ remote access to e-publications is available for N-List (Inflibnet) ink provided for self-renewal through the integrated ID SW Net is sent on the student's mobile and also on their email ids

Discipline:

- Students should maintain silence in the library. Students are required to use their own library card only in order to use the library facility.
- Students should switch off their mobile phones before entering the library

- The books should be handled carefully and any kind of tampering / damaging of books is severely punished.
- No eatables are allowed in the library.

New technology introduced by Library Department

KIOSK System:

In the Year 2018-19 library introduced the KIOSK system where students/faculty/ staff can self-issue, return, and renew the book on their own in the library itself.

The action buttons show the processes using kiosk, including check out (Issue), Renew, Check in (Return) and Account summary. Procedure is as follows:

For self-issue, return, renewing I-Card is necessary. Members can also do these functions through their SVV Net Id.

For this they have to select the options given on screen. i.e issue, return, and renew

Then they have to do authentication by using their I-Card or by using SVV Net Id and password.

After successful authentication, the user puts the books on the scan bed (which is on the right side of the screen), Students can issue or return 3 to 4 books at a time.

The system will automatically return, issue or renew the books , i.e as per the option selected by the students.

Once the row goes green, the option is clicked. The screen navigates three options, i.e Print receipt, Email Receipt and No Receipt. We recommend always referring to the mail Receipt option to save paper wastages.

Note:

1. Users don't need a physical book at the time of renewal
2. From the Library self-check user can only see the reserved book list but the user needs to go to opac.somaiya.edu for reservation or cancellation of the books

CAREER KATTA

About Career Katta:

Career Katta is an initiative of the Department of Higher and Technical Education Government of Maharashtra and in coordination with Maharashtra Information Technology Support Centre (MISTC).

OBJECTIVES:

- The Career Katta conducts various activities to guide students about Career, Competitive Examination (UPSC MPSC, Banking, SSB, SSC, Police, LIC, etc.), Entrepreneurship, Skill Development, etc., for all round development of students
- Career Katta is working with the idea that the students of the higher and technical education sector should have equal opportunities for guidance
- In these activities, administrative officers, successful entrepreneurs as well as guidance of various experts are being made available to the students
